

Dear Parents,

We have been blessed with lots of sunshine this week which some of the classes have made the most of building minibeast habitats outside and more. Please make sure you send your children in with named sun hats and ensure they have sun cream on or bottles of suncream they can apply themselves.

This was our last week of forest schools for Year 3&4, it has been great to see how their confidence has grown as the weeks have gone by.

I am looking forward to seeing Year 5&6 experiencing it after half term.

FSU were very lucky to be visited by the Police this week, with a squad car, motorbike and 4-wheel drive neighbourhood vehicle. The sirens caused much excitement for the children and for those inside school too. Thank you to Mr Jordan for organising this and to our 6 visitors that really enthused the children.

This week, we were honoured to have the Year 5 performing with their brass instruments for the whole school as they entered the hall for our singing assembly. It was lovely to see the delight on the children's faces as they walked in, and the younger children had a chance to ask questions about their experience and the instruments.

In our other collective worship sessions, we discussed our school value of resilience and learnt how swallows are resilient learning to drink water whilst flying to cope better with the long journeys when they migrate.

We also listened to two songs related to resilience; 'Pick yourself up' sung by Frank Sinatra and 'What I am' by Will-I-am.

You will have received a letter with a link to a parent survey on our current behaviour policy. Your feedback is key to helping identify what is and what isn't working please take the time to go through the survey, here is the link for you again :

Wishing you all a great half term and we all look forward to seeing everyone back at school on Tuesday 6th after the INSET day.

Nadia Gosling

## Celebrations this week

Class	Value	Reason
Early Years	Resilience	Lucas—For sharing his daddy so well when he visited with his police motorbike
Year 1 & 2	Love	Edie—For Trying hard all week and writing an amazing poem.
Year 3 & 4	Kindness	Lilly—For always offering to help in the classroom and showing kindness to others.
Year 5 & 6	Resilience	Fletcher—Working really hard on his handwriting.

## Class Attendance Winner

This week's best attended classes are Year 3&4 with:

**98% attendance**

**Whole school attendance**

**93%**

Also, Well done to everyone for getting into school at 08:45. It makes such a difference!

## Eco council news

Thank you for everyone's support during this Walk to School Week, it was a great success.

## Headteacher Resilience Award

**Evelyn B**—for 'picking herself up, dusting herself off and starting over again' when she comes across any problems.

**Lorilee**—for sharing great ideas to help others.

## School Dates

### Diary dates

**29th May—4th June**—Half Term

Breakfast club: Mon-Fri 7.50am-8.45am

CAST times: Mon-Thurs 3.15pm-4.15pm  
or 3.15pm-5.30pm.

**CAST mobile no: 07395182892**

## DONATIONS:

**We would love any donations of any unwanted dolls/doll clothing and dressing up clothes for both boys and girls for the CAST Sessions, if you have any items you would like to donate please bring these into the office.**

## Early Years

What an exciting time we had when PC Jordan (Lucas' Dad) and his colleagues visited FSU on Tuesday. Everyone got a go sitting on the motorbike, inside the car flashing the lights and making the sirens go and trying on the helmets. There was also an opportunity to try battering a door through!

Thank you so much for organising such a great experience for the children.

## Year 3 & 4

Year 3 and 4 enjoyed their last forest school session this week.

It has been so lovely to see the children progress and improve on skills week by week and ultimately enjoy being resilient and inquisitive outside.

## Year 1 & 2

This week in Year 1 and 2 we were all very excited for our much anticipated sandwich making! We started by learning how to make bread with yeast and kneading. Then after they were baked, we added our protein filling and chopped our salad item to go with it! Well done for making such excellent sandwiches- chefs in the making!

## Year 5 & 6

This week, for their 'Classification' topic in Science, Year 5/6 made classification keys for a selection of sweets. They had great fun, and were very restrained in resisting the sweets!

## Safeguarding

Please contact Miss Giles, Mrs Clarke or Mrs Gosling should you have any safeguarding concerns.
